FOR SENATOR FROM EIGHTH DISTRICT,

The next thing to lightning for quickness is said to be the spittitude with which an editor finds one of his editors in an exchange.

NOTE for Stephen G. Sharp for State Treasurer, R. P. Hocker for Senator, Alvin B. Tichenor for Representative, and J. H. Krown for Coroner.

REV. DENNIS STRICKER, Owenhaven, fell dead in the Mammoth Cave last Thursday night. He had married the day before and was on a short bridal tour.

DAVID G. COLESON, Republican candidate for State Treasurer, spoke at Beaver Dam Monday night. He is a fluent speaker, but of course does not expect to be elected.

JOHN P. MORTON, the pioneer bookman of Louisville, died last Friday at an advanced age. He had been connected with the book business for over half a century.

MADISONVILLE is to have a park and an artificial lake. When she gets the Louisville, Hardinsburg and Western railroad, she will get into herself a house so much will astonish the natives.

THEIR is to be no revenue "pile" handed out by Mr. Feland till after the 5th of August. Democrats, this means volumes. They are on the alert, do your duty, and success will certainly be the result.

CHARLES CLARK, a rateman from Green River, sold his leg at Evansville and was forced of something near a thousand dollars by the confidence men he "took in" the city with. When will ratemans cease to be caught?

CORN A. E. WILLIAMS, attorney for the Henderson State Line, was in Beaver Dam Monday night. He says that over 100 men in the county have signed a petition to the Legislature to have a new constitution adopted, and that the proposition will certainly every time. In that event the says will begin on the road within three months and he push to an early completion.

CORN A. M. SWOFF, the real leader of the Republican party in Kentucky, will speak at Fair grounds next Hartford next Monday. This will be a big day for them, and they will come from every section of the county. Dick Tate will be there to carry this, and will have his hands held up before the people. Common and Dick Tate discussed. It is very edifying—especially so since everybody joins in the commendation.

NOTWITHSTANDING the farmers over the county were generally here with their ox or a team. Mr. Clegg had a good crowd to hear him speak at the end of the week. Wednesday he spoke his over four hours and was extremely listened to throughout. He took up the charge of the Democrats, and showed that where Democrats had stolen seats, Republicans had stolen seats. His speech throughout was full of good sound Democratic doctrine, and did the entire good.

THE Republicans come to are between the devil and the deep blue sea as to speak. They nominated the Rev. T. Clegg, of the Legislature, who joined the track when Gardner was put up against him. Then Dr. Byars was nominated, and after studying the matter over for several days, reluctantly decided. Last week the Hon. (T.) Dick Beatty announced himself as a Republican candidate for the Legislature against Gardner. While Beatty is found on the "heated" stump, Gardner is taking things coolly, certain of not less than five hundred majority.

They run on the N. N. & M. V. railroad will change time next Sunday. The time card is not out yet, and it is not known what the change will be, but it is probable that the passenger train East will arrive in Louisville in the day-time, instead of midnight, as at present. This change would suit the people along the part of the route very well. This company will soon build a superb depot at the foot of Seventh street in Louisville, and it is worthy of note that the present management are doing all in their power to accommodate the traveling public.

The subscriber who sent us a post card saying he had received a large lampfully folded up in his last H. A. will please bear with us. The Herald is printed in the stilly hours of the night, when nocturnal denizens of the air are quite "frequent," and our editor works very rapidly, hence our superior facility for carrying out the wishes of our advertising people. But last Tuesday night the atmosphere was a little cool, and the next thing we will try and provide our friend with a lamp as large as a hen—perchance an owl—all neatly embalmed in the very latest news.

The people of Henderson are taking steps to secure the Henderson and Louisville railroad, since they see that it is not going to be built on our local soil. The director of the State Line company writes to a prominent citizen of Hartford that over a thousand voters in the Henderson district have petitioned the county court to re-submit the proposition that was withdrawn. Many who were originally opposed to the proposition, signed the petition. The proposition was re-submitted Monday, and a vote will be taken soon.

THIS last proposition carries it to the next logical step, to get the road. These will likely be no more voting in Ohio County. The road will run through Hartford and take its course through the other parts of the county being located by local interests.

CAMP KENTUCKY will not only be perpetuated in memory but in reality. It has been photographed by the Camp artists, the Messes. Fielden. The artistic work is of the finest character, and is one of those artist best efforts on out-door work. Everything bequeaths the freedom of camp-life, six young men in negative, each with a gun, indicating, that they are not hunting, but are on a hunting trip.

They are strong and stately; they are to be seen in the camp, and are to be seen from having the power in their hands some day? May I then be in some difficulty, but I will be out of it.
